

COYOTE VALLEY SPECIFIC PLAN DRAFT EIR

EIR COMMENTS

To be consistent with the California Environmental Quality Act (CEQA), comments or questions relating to the Coyote Valley Specific Plan Draft Environmental Impact Report (DEIR) should focus on the adequacy or accuracy of the information in the DEIR.

Comments regarding the merits of the CVSP "project" should be submitted separately as general comments (A place for general comments has been designated on the back of this form.). Please submit your written comments on this card at this DEIR meeting, or to Jared Hart via the methods listed at the bottom of the page by 5:00 P.M. on June 29, 2007. (Note: Please write legibly. We will not be able to respond if we cannot read your comments.)

PLEASE USE THIS SPACE IF YOU HAVE COMMENTS ON THE ADEQUACY OR ACCURACY OF THE DEIR:

What are the significant species impacts on the burrowing owl?

What will happen to these owls?

How important is this (the owls) to the balance of nature? Will it hurt or change the populations of rodents... etc.
